What is hypothesis testing? Clear 3-minute videos

This video is 23 minutes long but it is part of a series where almost all videos are just 3 minutes long:

Intro to Hypothesis Testing in Statistics

Watch the entire playlist [here](#).

This Youtuber is extremely popular, do check [his other playlists on statistics and other topics](#).

One-page tutorials with Excel

- [Hypothesis Testing for Complete Beginners](#)
- [The Complete Guide: Hypothesis Testing in Excel](#)

PSPP software, the free and open source alternative to SPSS by IBM.

- [Download page](#)
- [Tutorial](#)

Complete free website on conducting statistics with Excel

[Real Statistics](#)

Online book accessible from the library

[Marketing Research with SPSS](#)

This book is about SPSS but PSPP is exactly the same so the book should be very useful.
